We wish to thank Chief Judge Arch McGarity for the informative charge given to this Grand Jury.

We wish to commend the District Attorney, Tommy K. Floyd and his staff, for the expeditious and professional manner in which cases were presented to this Grand Jury.

The Grand Jury hereby wishes to commend the law enforcement officers of the Henry County Police and Sheriff's Department and the various city departments, for their professional and efficient presentations to this Grand Jury.

We wish to thank Mrs. Barbara A. Harrison, Clerk of Superior Court, and her staff, for their assistance.

We wish to thank Ms. Helen Berry and Mr. Robert C. Potter for their assistance as Bailiffs.

We wish to thank the following for their assistance to the Grand Jury and for the exemplary performance of their duties:

Chief Assistant District Attorney Thomas R. McBerry

Agent Jason Sanders - Flint Circuit Drug Task Force

Detective Bess Baugh - Henry County Police Department for her protection of children.

After having heard the facts and circumstances surrounding the automobile accident of June 23, 2009, involving a McDonough police officer, driving a marked patrol car and a pedestrian on Industrial Parkway in McDonough, the Grand Jury finds that no criminal charges are warranted or should be brought by the State.

After hearing testimony concerning the G.B.I. investigation of the shooting by a Henry County Police Officer of Eric Van Davis, we find the officer's acts were self defense under Georgia Law.

We recommend that these presentments be published in the Henry Herald, the official organ of Henry County.

Respectfully submitted,
