

**ACKNOWLEDGEMENT OF INFORMATION FOR SUBMITTING  
DEVELOPMENT PLAN TO HENRY COUNTY WATER AUTHORITY**

The Development Permit does not include water and/or sewer approval. This approval must be obtained separately.

One set of your Development Plans must be submitted to and approved by Henry County Water & Sewer Authority:

Tony Carnell, Lindy Farmer, or Gary Mayo  
1695 S. R. 20 West  
McDonough, Ga. 30253

I, \_\_\_\_\_, agree to submit one set of Development Plans directly to the Henry County Water Authority at the above address.

-----

**SEPTIC ACKNOWLEDGEMENT**

The Development Permit does not include septic approval. This must be obtained separately from Henry County Environmental Health prior to our issuing the Development Permit. You must submit a Level 2 Soil Report for Residential projects and a Level 3 Soil Report for Commercial projects to Henry County Environmental Health for them to provide approval.
