Rod Gray, Director of Purchasing

ADDENDUM #1
 Issued February 16, 2017

BID # 17-40
HVAC Units (Equipment Only) for the Henry County Health Complex
OPENING: 3:00 PM, February 23, 2017

The following items take precedence over referenced portions of the documents for the above-named project and in executing a contract, will become a part thereof.

Where any item in the documents is supplemented hereby, the original requirements will remain in effect. All supplemental conditions will be considered as added thereto.

Where any original item is amended, voided or superseded hereby, the provisions of such items not so specifically amended, voided or superseded will remain in effect.

Questions and Answers

1. **Question:** Will this bid be for just delivery and unloading at the building? Or will a crane be needed in order to set the units on roof with Henry County Maintenance Personnel doing the tie in?
Answer: Henry County will provide the crane service for unloading the six units at six different dates scheduled and all tie-ins and unit positioning will be performed by the Henry County Maintenance Department.

2. **Question:** On the requested delivery dates, when delivery truck arrives will they need to be there all day while units are replaced one at a time, or will you be offloading equipment and then doing the replacements?
Answer: The delivery truck will arrive, be unloaded and can immediately leave the delivery site.

This addendum must be signed and attached to bid proposal to acknowledge receipt of addendum.
Failure to acknowledge any addenda will result in a non-responsive bid.

TOTAL BID PRICE					

Total Bid Price (Words)

Prices are to include delivery to the Health Complex located at 135 Henry Parkway, McDonough, Georgia. Each of the six (6) groups will be delivered separately to this location on various dates and times as scheduled by the Henry County Facilities Maintenance Department. The vendor will keep the equipment at the vendor's site until the scheduled dates and times arrive. The Henry County Facilities Maintenance Department will do the installation of this equipment. The units will be direct replacements. There will be no curb adaptors and only ICP products will be allowed. Units must have terminal strip for control wiring installation.
