(b) The consultant will be required to prepare criteria for evaluating competing stormwater improvement projects. Criteria shall include evaluation of projects related to flooding, erosion, and water quality.

This may include brochures, pamphlets, and/or public presentations for community meetings and workshops. The consultant shall, at the County’s option, participate in up to ten (10) presentations to County staff, elected officials, and/or general public interest groups. Ten copies of the final report shall be required as a deliverable and the costs therefore shall be included in the proposal.

b. Any change in coverage or insurance carrier must be reported to the County’s Purchasing Office in writing within five business days of the change.

c. Failure of any Contractor to procure and maintain the required insurance shall not relieve the
Contractor of any liability under the Contract, nor shall these requirements be construed to conflict
with the obligation of the Contractor concerning indemnification;
d. Any and all insurance required by this Contract shall be maintained during the entire term of this
Contract;
e. The County shall, without exception, be given no less than thirty (30) days notice prior to

It is the County’s intention to select a firm which is the most qualified to meet the County’s needs. The award shall be based on but not limited to the following factors:

**MAXIMUM SCORING POINTS TOTAL**

100

**Oral Presentation and Product Demonstration** - At its sole discretion, the Evaluation Committee made up of County employees may require an interview/presentation before the final selection and award to a Firm. Submittal of material and information during an interview/presentation could add up to 15 additional points to the total score of the Firm.

| The Scoring Formula for the above Scoring Value Maximum Points is as follows: |
|-------------------------------|------------------|
| Excellent                     | .75 - 1.00       |
| Good                          | .50 - .74        |
| Fair                          | .25 - .49        |
| Poor                          | 0 - .24          |

Multiply scoring formula by possible scoring value maximum point allotment. *Example:* If you score a firm .6 (Good) on **Firm’s Expertise** and multiply .60 x 20 (maximum scoring points), this would equal to 12 points.
SPECIAL NOTE - the Proposal Cost will be evaluated as follows:
- Low Conforming Proposal 25 points
- Proposals within 5% of Low Proposal 20 points
- Proposals within 7% of Low Proposal 15 points
- All Others 10 points

Best and Final Offer Process represents an optional step in the selection process and may be used when:
- a. No single response addresses all the specifications.
- b. The cost submitted by all proposers is too high.
- c. The scores of two (2) or more proposers are very close after the evaluation process.
- d. All proposers submitted responses that are deficient in one or more area.

Henry County reserves the right to remove the high score and the low score for each offer if deemed necessary.

The County reserves the right to negotiate the fee and/or Scope of Services with the highest ranked Proposer. If negotiations cannot be completed successfully, then the County reserves the right to negotiate with the second highest ranked Contractor. Recommendations for an award will be the Proposer with whom potential contract negotiations were successful.
