ADDENDUM #2

Issued June 23, 2017

BID # 17-54

Grading, Widening, and Paving of Turner Church Road

OPENING: 3:00 PM, June 29, 2017

The following items take precedence over referenced portions of the documents for the above-named project and in executing a contract, will become a part thereof.

Where any item in the documents is supplemented hereby, the original requirements will remain in effect. All supplemental conditions will be considered as added thereto.

Where any original item is amended, voided or superseded hereby, the provisions of such items not so specifically amended, voided or superseded will remain in effect.

This addendum must be signed and attached to bid proposal to acknowledge receipt of addendum.

Failure to acknowledge any addenda will result in a non-responsive bid.

Bid #17-54
Grading, Widening, and Paving of Turner Church Road
Questions and Answers – 2nd Addendum

1. **Question:** You did not add a bid item for Milling and Leveling as called out for in the Mainline Plan sheets from 14+00-15+55.76 and on the Mainline Profile around Station 50+00. We assume that this will be added by Change Order after the bids are submitted.
Answer: **Leveling and Milling items have been added to the 2nd Revised Bid Price Sheet.**

2. **Question:** What is bid item (550-1060) Storm Drain Pipe, 6 IN, H 1-10 - 4 LF being used for? The only thing I could find is in the Detailed Estimate (Sheet 09-01) that it has a note on the end of the item that says “USE SANITARY SEWER PIPE, 6 IN, PVC”. Right now we will just have to guess as to the intention of this bid item and price the guess accordingly.
Answer: **Six (6) inch pipe is for the detention/retention pond. Please see general notes page (sheet 64-02).**
