SECTION I - GENERAL OVERVIEW

A. PURPOSE
1. Henry County, hereafter known as the “County,” is soliciting proposals from qualified firms or individuals to prepare a Multi-Jurisdictional Hazard Mitigation Plan that meets the necessary requirements of and is approved by the Federal Emergency Management Agency (FEMA) to be eligible for Hazard Mitigation Grant Program present and future funding, Pre-Disaster Mitigation Program funding and Public Assistance Funds. The intent of this proposal is to qualify and select a firm to update Henry County’s Multi-Jurisdictional Hazard Mitigation Plan in accordance with local, state and federal standards.
2. Hazard Mitigation involved the practice of reducing risk to people and property from natural disasters, while recognizing and adapting to natural forces and is defined by FEMA as any sustained action taken to reduce long-term risk to human life and property from natural hazards. A fundamental premise of Hazard Mitigation is that current dollars invested in mitigation will significantly reduce the demand for future expenditures by reducing the extent of emergency recovering, repair and reconstruction following a disaster.
3. The purpose of the Plan is to demonstrate the “jurisdiction’s commitment to reduce risks from natural hazards, serving as a guide for decision-makers as they commit resources to reducing the effects of natural hazards. Local plans will also serve as the basis for the State to provide technical assistance and to prioritize project funding.
4. The selected Consultant is expected to provide documentation of time spent developing the Plan and to adhere to a strict budget. To ensure that development of the Plan is consistent with the budget provided, the County’s representative will meet periodically with the Consultant and with the Planning/Steering Committee members to monitor the expenditure of funds and progress of work.
5. The Consultant’s work will not be complete until the Plan has been both formally adopted by the County and formally by the Federal Emergency Management Agency (unless otherwise timeline determined by the County’s representative).
