Questions and Answers

- Question:** Will you please clarify how many hours you would like the lease to be. I know you are asking for four years but how many hours a year would you like the lease to be. Also would you like the hours to be the same for the mower as the utility vehicles or would you like the hours to be different? **Answer: 600 hours per year for mowers and utility vehicles**
- Question:** Will the County consider the mowers as a separate bid from the utility vehicles? Or is it required to bid the mowers & utility vehicles both to qualify?
Answer: We do not want to separate the bid for mowers and utility vehicles. We prefer to keep all mowers and utility vehicles on one lease
- Question:** Are you willing to accept bids for the Utility Vehicles only?
Answer: No, we prefer to keep the mowers and utility vehicles on one lease.
