ADDENDUM #1

Issued July 9, 2019

Bid # 20-06

Waste Wood Grinding Services – Annual Contract

OPENING: 3:00 PM, July 16, 2019

The following items take precedence over referenced portions of the documents for the above-named project and in executing a contract, will become a part thereof. Where any item in the documents is supplemented hereby, the original requirements will remain in effect. All supplemental conditions will be considered as added thereto. Where any original item is amended, voided or superseded hereby, the provisions of such items not so specifically amended, voided or superseded will remain in effect.

Questions and Answers

- Question:** Can you give me an estimated quantity of wood waste that is needing to be grinded?
Answer: **The yard debris varies, but a year estimate is between 50,000 -75,000 cubic yards and between 3 - 4 times a year or more as needed.**
- Question:** Could you please give me an estimate of approximately how many yards of brush that needs grinding.
Answer: **See question #1.**
- Question:** How much wood debris do you typically see that needs grinding per year?
Answer: **See question #1.**
