REQUEST FOR PROPOSAL

Sealed Envelope shall be marked with the following information:
RFP #21-10
Design/Build Services for an Airport Terminal Building and Area Improvements
Due Date and Time: August 13, 3:00 PM

SCHEDULE OF EVENTS FOR
RFP # 21-10

Non-Mandatory Pre-Proposal Conference and Site Visit has been scheduled at 10:00 AM on July 23, 2020 at the Henry County Airport, 474 Speedway Blvd. Hampton, GA 30228. Attendance at the Pre-Proposal Conference is voluntary for Proposers responding to this proposal; however, Proposers are encouraged to attend.

Deadline for requests for clarifications and questions. Any possible exceptions to the bid specifications and/or terms and conditions should be addressed during this phase. These requests will be answered in an addendum and must be emailed to: purchasing@co.henry.ga.us

*Deadline for first addendum, if required, posted on the Henry County website: henrycounty-ga.com/purchasing

Sealed proposals will be accepted until the due date and time. Any late submittals received will not be considered. Submittals are to be delivered to Henry County Purchasing Department, 140 Henry Parkway, McDonough, GA 30253.

THIS FORM MUST BE SIGNED AND SUBMITTED TO BE CONSIDERED FOR AWARD

*The posting of additional addenda may be required and it is the responsibility of the Proposer to ensure that they review the County’s website for any additional addenda, and that they submit acknowledgement of all applicable addenda (on the included form) with their solicitation. Proposers should not expect to be individually notified by Henry County.

SECTION VI – REQUEST FOR PROPOSAL LABEL 35
SECTION I - GENERAL OVERVIEW

A. PURPOSE
The Henry County Board of Commissioners is requesting proposals from qualified vendors to provide a turnkey commercial grade Airport Terminal Building (up to 4,500 square feet) and is expected to construct all terminal area improvements as described in the stamped plans and specifications by CROY Engineering. The work and materials shall meet or exceed applicable State and Local construction codes and ordinances. The Henry County Airport is located at 474 Speedway Blvd., Hampton, Georgia 30228. The Contractor shall furnish all materials, labor, tools, equipment and services necessary in the performance of this RFP.

B. GENERAL INSTRUCTIONS, TERMS, AND CONDITIONS

1. Proposals Submission
   a. These instructions will bind proposers to terms and conditions herein set forth, except as specifically stated otherwise in special contract terms with any individual proposal. These instructions are to be considered an integral part of the proposal.
   b. Proposals may be submitted by mail, common carrier or delivered in person. Fax or electronic proposals are not acceptable. It shall be the duty of each proposer to ensure that their proposal is delivered within the time and at the place prescribed in this document. Proposals received prior to the time fixed in this proposal document will be securely kept unopened. A date/time stamp will be affixed to the envelope/package immediately upon its arrival to the Purchasing Department. Any proposal received at the office designated in this document after the exact time and date specified, will not be considered. If a late proposal is received via carrier, it will be marked “late proposal” and will not be opened. If a late proposal is hand delivered, it will be returned unopened to the presenter.
   c. At the date and time specified for the opening of the proposal, the proposal shall be publicly opened and read aloud for the information of proposers and others present.
   d. The proposal must be submitted in a sealed envelope/parcel on or before the date and time stated in this document and is to be mailed or delivered to:
      Henry County Purchasing Department
      140 Henry Parkway
      McDonough, Georgia 30253
      RFP #21-10
      Design/Build Services for an Airport Terminal Building and Area Improvements
   e. The Submittal Checklist must be reviewed and the Proposer is to comply with the order of the submittal of documents. This document along with the cover page (page 1) is to be included with the proposal.
   f. The following items are to be submitted:
      • One (1) unbound clearly marked “Original,” of the proposal documents
      • Six (6) bound complete copies (not to exceed a 1/2” capacity ring binder) identical to the original proposal documents, and
      • One (1) digital copy in PDF format on a USB flash drive identical to the original proposal documents. The USB flash drive should be labeled with the RFP number and proposer’s name.
      • If required – One (1) original “Cost Proposal.” The Cost Proposal is to be submitted in a separate sealed envelope and marked “Cost Proposal.”
   g. All proposals must be manually signed and filled out legibly (typewritten or printed in ink) with all changes or corrections initialed by the person signing the proposal.
   h. If descriptive literature is attached to the proposal, your firm’s name must be on all sheets
submitted.
i. Each proposal submitted shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this Proposal request. The failure or omission of any proposer to examine any form, instrument or document shall in no way relieve any proposer from obligations in respect to the proposal submittal or the compliance of the terms, conditions and requirements of the proposal.

j. Individual contractors shall provide their Social Security number and proprietorships; partnerships and corporations shall provide their Federal Employer Identification number on page one of this proposal documents and provide a completed W9 form to be submitted with the proposal.

k. The authorized representative whose signature will appear on the proposal submitted certifies that the Proposer has carefully examined the instructions of this proposal and the terms and specifications applicable to and made a part of this proposal. The Proposer further certifies that the prices shown on the Proposal Price Submittal Form is in accordance with the conditions, terms and specifications of the proposal and that any exception taken thereto may disqualify the proposal.

l. Any documentation submitted with or in support of a proposal or proposal shall become subject to public inspection under the Georgia Open Records Act. Labeling such information “Confidential”, “Proprietary”, or in any other manner shall not protect this material from public inspection upon request. All records become subject to public inspection only after award of the contract or purchase order.

2. Preparation of Proposals

a. Negligence on the part of the proposer in preparing the proposal confers no right for withdrawal or modification in any way after the deadline for the proposal opening.

b. Unit price must be shown on the Proposal Cost Submittal Form in this document. All proposals should be tabulated, totaled and checked for accuracy. The unit price will prevail in case of errors.

c. All product, equipment, article or material must be new and unused or current production. No reconditioned or used item(s) will be accepted except as specifically requested herein. Units that are classified as prototype or discontinued models are not acceptable.

d. Samples of items, when required, must be submitted within the time specified and unless otherwise specified by the County, at no expense to the County. Unless otherwise specified, samples will be returned at the proposer’s request and expense if items are not destroyed by testing.

e. Full identification of each item proposal upon, including brand name, model, catalog number, etc., must be furnished to identify exactly what the proposer is offering. Whenever an article or material is defined by describing a proprietary product or by using the name of a manufacturer, the term “or equal” if not inserted shall be implied. The specified article or material shall be understood as indicating the type, function, minimum standard of design, efficiency and quality desired and shall not be construed as to exclude other manufactured products of comparable quality, design and efficiency. In the event that any equivalent version is proposed, prospective proposers are herewith advised that precise, adequate, and documented evidence of equivalency in performance, stability, and operational efficiency should be submitted with the proposal for further consideration. Final determination of equivalency will be determined by Henry County.

3. Clarification and Communication to County Concerning Proposal

a. From time to time, the Purchasing Department may have to release written changes to a solicitation. These formal written changes are called addendum or if multiple, Addenda. It is the responsibility of the Proposer to ensure that they have all applicable addenda prior to the proposal submission. Therefore, we encourage all Proposers to frequently review the County’s website: henrycounty-ga.com/purchasing

All addenda forms must be signed and submitted with the proposal. Failure to respond and acknowledge any addenda, even after the proposal opening, shall result in a non-responsive proposal.

b. The successful firm’s proposal and all addenda will become a part of the agreement resulting from
this document.
c. Proposers seeking an award of a Henry County contract shall not initiate or continue any verbal or written communication regarding a solicitation with any County officer, elected official, employee or other County representative without permission of the Purchasing Department between the date of the issuance of the solicitation and the date of the final contract award by the Board of Commissioners. Violations will be reviewed by the Purchasing Director. If determined that such communication has compromised the competitive process, the offer submitted by the individual, firm or business shall be disqualified from consideration for award. EXCEPTION to the above would be emailing request for clarification and/or questions to the Purchasing Department – purchasing@co.henry.ga.us. (These requests will be answered in an addendum. Please see schedule of events.)

4. Pre-Proposal Conference
The Pre-Proposal Conference or any other information session (if indicated in the schedule of events) will be held at the offices referred to in the “Schedule of Events” of this RFP. Unless indicated otherwise, attendance is not mandatory; although suppliers are strongly encouraged to attend. However, in the event the conference has been identified as mandatory, then a representative of the supplier must attend the conference in its entirety to be considered eligible for contract award.

5. Rejection and Withdrawal of Proposals
a. Withdrawal of Proposal due to errors, the supplier has up to forty-eight (48) hours to notify the Purchasing Department of an obvious clerical error made in calculation of proposal in order to withdraw a proposal after proposal opening. Withdrawal of proposal for this reason must be done in writing within the forty-eight hour period.
b. The County will make a recommendation of the proposal to the Board of Commissioners within 60 days from date of the opening, unless the successful Bidder agrees in writing to a longer period for the award.
c. The County may reject all or part of the proposal within 60 days of proposal opening.

6. Proposal and Contract Documents
a. A proposal executed by an attorney or agent on behalf of the proposer shall be accompanied by an authenticated copy of the Power of Attorney or other evidence of authority to act on behalf of the proposer.
Corporation: If the Proposer is a corporation, the proposal must be submitted in the name of the Corporation, not simply the corporation’s trade name. In addition, the proposal must be signed by an officer of the corporation.
Partnership: If the Proposer is a partnership, all partners must sign the proposal. If all the partners do not sign the proposal, then the names of all those except limited partners must be furnished on the proposal and evidence of the authority of the signer(s) to execute the proposal on behalf of the partnership.
Limited Liability Company (LLC): If the Proposer is a limited liability company, the authorized agent having authority to bind the limited liability company must sign the bid documents.
Sole Proprietorship or Individual: If the Proposer is a sole proprietor or individual, a signature is required on all bid documents by that individual.
b. The contract documents consist of this Agreement, Specifications and Addenda issued prior to execution of this Agreement, other documents listed in this Agreement and Modifications issued after execution of this Agreement. These form the Contract and are as fully a part of the Contract as if attached to this Agreement or repeated herein. The Contract represents the entire and integrated Agreement between the parties hereto and supersedes prior negotiations, representation or agreements, either written or oral.
c. Contract Term – The time period of the agreement, if any is formed from this RFP, will be
7. **Exceptions and Omissions**
   Any exceptions to the specifications and/or terms and conditions must be addressed during the question/clarification and addendum phases.

8. **Alterations of Solicitation and Associated Documents**
   Alterations of County documents are strictly prohibited and will result in automatic disqualification of the proposer’s solicitation response.

9. **Cost Incurred by Vendors**
   All expenses involved with the preparation and submission of the RFP to the Henry County Board of Commissioners, or any work performed in connection therewith is the responsibility of the vendor(s).

10. **Codes, Permits, Fees, Licenses and Law**
    a. All permits, fees, arrangements for inspections, licenses, and costs incurred for the same shall be the sole responsibility of the successful Proposer. All materials, labor and construction must comply with all applicable rules and regulations of local, state and/or national codes, laws and ordinances of all authorities having jurisdiction over the project, shall apply to the contract throughout and will be deemed to be included in the contract the same as though herein written out in full.
    b. **Effective July 1, 2008:** All General Contractors must have a current valid license from the State Licensing Board for Residential and General Contractors, unless specifically exempted from holding such license pursuant to Georgia law, O.C.G.A. Section 43-41-17.
    c. State Law regarding Worker Verification requires that all who enter into a contract for the physical performance of services with the County must satisfy O.C.G.A. §13-10-91 and Rule 300-10-1-.02, in all manner, and such are conditions of the contract. By submitting a proposal to the County contractor agrees that in the event the contractor employs or contracts with any subcontractor(s) in connection with the covered contract, the contractor will secure from the subcontractor(s) such subcontractor(s) indication of the employee-number category applicable to the subcontractor, as well as attestation(s) from such subcontractor(s) that they are in compliance. Such attestation(s) shall be maintained and may be inspected by the County at any time. An affidavit of such compliance included with the proposal, must be signed by the contractor, and will become part of the contract.

11. **Safety**
    All vendors and subcontractors performing services are required and shall comply with all Occupational Safety and Health Administration (OSHA), State and County Safety and Occupational Health Standards and any other applicable rules and regulations. Also, all contractors and subcontractors shall be held responsible for the safety of their employees and any unsafe acts or conditions that may cause injury or damage to any persons or property within and around the work site area under this Contract.

12. **Design, Standards and Practices**
    Design, strength, quality of materials and workmanship must conform to the industry acceptable standards of engineering practices and/or professional services.

13. **Statement of Warranty**
    A Statement of Warranty should include all applicable manufacturers’ warranty and the Contractor’s warranty in regards to equipment, materials and workmanship. This statement shall include the terms, conditions and the period of warranty coverage. Any exclusion(s) must be clearly stated.
14. **Non-collusion**  
By submitting a proposal in response to this solicitation, the proposer represents that in the preparation and submission of this proposal, said Proposer did not either directly or indirectly, enter into any combination or arrangement with any person, Proposer, Corporation or enter into any agreement, participate in any collusion, or otherwise take any action in the restraint of free, competitive bidding in violation of the Sherman Act (15 U.S.C. Section I or Section 59.1-9.1 through 59.1-9.17 or Sections 59.1 – 68.6 through 59.68.8). Collusion and fraud in proposal preparation shall be reported to the State of Georgia Attorney General and the United States Justice Department.

15. **Nondiscrimination**  
Notwithstanding any other provision of this Agreement, during the performance of this Agreement Contractor, for itself, its heirs, personal representatives, successors in interest and assigns, as part of the consideration of this Agreement does hereby covenant and agree, as a covenant running with the land, that:

a. No person on the grounds of race, color, religion, sex or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination;  

b. In the production of the vehicle(s), and the furnishing of services therein or thereon, no person on the grounds of race, color, religion, sex or national origin shall be excluded from participation in, or denied the benefits of, such activities, or otherwise be subjected to discrimination.

16. **Drug Free Workplace Certification**  
By signing the Supply Service Contract form, the Contractor certifies that the provisions of Code Sections 50-24-1 through 50-24-6 of the Official Code of Georgia Annotated, relating to the “Drug-free Workplace Act”, have been complied with in full. The undersigned further certifies that:

a. A drug-free workplace will be provided for the Contractor’s employees during performance of the contract; and  

b. Each Contractor who hires a subcontractor to work in a drug-free work place shall secure from that subcontractor the following written certification:  
   “As part of the subcontracting agreement with (Contractor’s name), (Subcontractor’s name) certifies to the Contractor that a drug-free workplace will be provided for the subcontractor’s employees during the performance of this Contract pursuant to Paragraph (7) of Sub-section (b) of Code Section 50-24-3”.  

c. The Contractor further certifies that he will not engage in the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana during the performance of the Contract.  

d. Contractor may be suspended, terminated, or debarred if it is determined that:  
   (1) The Contractor has made false certification hereinabove; or  
   (2) The Contractor has violated such certification by failure to carry out the requirements of the Official Code of Georgia Section 50-24-3.

17. **Georgia Security and Immigration Compliance Act**  
Pursuant to the Georgia Security and Immigration Compliance Act of 2006, the successful Contractor understands and agrees that compliance with the requirements of O.C.G.A.13-10-91 and Georgia Department of Labor Rule 300-10-02 are conditions of this proposal and contract document. The Contractor further agrees that such compliance shall be attested by the Contractor and any of his Subcontractors by execution of the appropriate Affidavit and Agreement which will be included and become a part of the Agreement between Henry County and the successful Contractor.

18. **Supplier Inclusion Program**  
Small, local, veteran-owned, Disadvantaged Business Enterprise (DBE), and female-owned business enterprises are encouraged to participate in the solicitation process. Please see the Supplier Inclusion
19. **Delivery and F.O.B. Destination**  
a. All prices shall include shipping and delivery cost to our destination; F.O.B., Henry County, Georgia, unless otherwise requested. The proposer shall handle all material procurement, storage and delivery to project site. Unless otherwise specified in this specification, proposer shall supply all materials required. The County will grant no allowance for boxing, crating or delivery unless specifically provided for in this proposal. The proposer shall retain title for the risk of transportation, including the filing for loss or damages.

b. The County desires delivery of the product(s) or service(s) as specified at the earliest possible time after the date of award. Unreasonable delivery may be cause for disqualifying a proposal. Each firm shall state a definite delivery time and avoid using general terms such as "ASAP" or approximately so many days.

20. **Discounts**  
Cash discounts for early payment (i.e. 2%-10) or Net 30 terms should be shown separately, even if terms are Net.

21. **County’s Tax Exemption**  
Henry County is exempt from Federal Excise Tax or Georgia Sales Tax with regard to goods and services purchased directly by Henry County.

22. **Award of Contract**  
a. Henry County desires to complete the award process in a timely manner. Henry County reserves the right to reject or accept any or all proposals, whole or any parts hereof, by item or group of items, by section or geographic area, or make multiple awards and be the final approval of proposal(s) selection which would be the most advantageous to the County with price and other factors considered. Henry County may elect to waive any technicalities. The proposal will be awarded to highest scored proposer(s), if awarded. The proposal specifications and results will be available on the County’s website:  
 henrycounty-ga.com/purchasing.

b. Henry County reserves the right to reject any proposal if the evidence submitted by or investigation of, the proposer fails to satisfy the County that the proposer is properly qualified to carry out the obligations of the Contract. If the successful proposer defaults on their proposal, an award may be made to the next low responsive and responsible proposer.  

**Responsibility** - The determination of the proposer’s responsibility will be made by the County based on whether the proposer meets the following minimum standard requirements:

- Maintains a physical location presence and permanent place of business.
- Has the appropriate and adequate technical experience required.
- Has adequate personnel and equipment to perform the work expeditiously
- Able to comply with the required or proposed delivery and installation schedule.
- Has a satisfactory record of performance.
- The ability of proposer to provide future maintenance and service for the use of the contract under consideration.
- Has adequate financial means to meet obligations incidental to the work.
- Such other factors as appear to be pertinent to either the proposal or the contract.

**Responsiveness** - The determination of the proposer’s responsiveness will be made by the County based on a consideration of whether the proposer has submitted complete proposal documents meeting proposal requirements without irregularities, excisions, special conditions, or alternatives proposals for any item unless specifically requested in the proposal solicitation.
c. Henry County is subject to making records available for disclosure after the Board of Commissioners approval of the recommendation. The award shall be made by the Board of Commissioners of Henry County unless the lowest, qualified bid is less than the Board of Commissioners’ approval limit. No claim shall be made by the selected Consultant for loss of profit if the contract is not awarded or awarded for less work than is indicated and for less than the amount of the proposal. The total of the awarded contract shall not exceed the available funds allocated for the proposal project.

23. Local Vendor Privilege
   a. There is established in Henry County, a local vendor privilege. Bids or proposals awarded to local vendors contribute to the local tax base and will therefore be given special consideration when bidding against out-of-jurisdiction (out-of-county) vendors. Bids or proposals received from local vendors will be given preference if such bid or proposal is responsive and within five (5) percent of the low bid submitted by any out-of-county bidder. In such instance, the local vendor will be given the opportunity to match the low bid offered by the out-of-county vendor. If such local vendor agrees to match the low bid received from the out-of-county vendor within the time specified by the county, the bid shall be awarded to the local vendor.
   b. A local vendor shall only be eligible to receive the benefit of this privilege if it meets each of the following requirements prior to any award of a contract or purchase:
      (1) The business or supplier must operate and maintain a regular place of business within the geographical boundaries of Henry County; and
      (2) The business or supplier must have a current occupational tax certificate; and
      (3) The business or supplier must have paid all real and personal taxes owed the county; and
      (4) The business or supplier must certify its compliance with the Georgia Security and Immigration Act.
   c. This policy shall not apply to any bid or proposal for material, equipment or services in excess of one hundred thousand dollars ($100,000.00). In such cases, the bid award shall be subject to the competitive bidding requirements as otherwise provided herein or general law.

24. County Direction of Project Site and Monitoring of Work
   a. The Contractor may have a Project Coordinator, but the project site shall remain under the control of Henry County. The Contractor shall provide and make available an appointee to Henry County for project coordination and supervision of Proposer installation personnel. Coordination consists of meeting with the Henry County representatives to review the project; on site walk throughout of installation area(s) before the installation begins; review installation procedures; review installation progress and to handle any problems during installation until project completion.
   b. The successful Proposer will promptly correct all work rejected by the County as faulty, defective, or failing to conform to the Minimum Specifications and/or to consensus standards adopted by both government and industry governing the repairs, whether observed before or after substantial completion of the work, and whether or not fabricated, installed, or completed. The successful Proposer will bear all costs of correcting such rejected work.
   c. The Contractor shall insure all trash generated by work performed shall be removed from the site and properly disposed as each work operation is completed in a given area. Additionally, the Contractor shall ensure all disturbances to the area where the Contractor performed work are restored to the same condition prior to start of the project. If an inspection reveals that the Contractor fails to clean up after work has been performed. The County will notify the Contractor of the discrepancy and the Contractor will have twenty-four (24) hours to make the correction. Should the Contractor still fails to clean the area, the County reserves the right to make other arrangements to have the area cleaned and the County shall deduct the cost from the Contractor’s invoice.
   d. No one except authorized employees of the Contractor is allowed on the premises of Henry County facilities. Contractor employees are not to be accompanied in their work area by acquaintances,
family members, assistants, or any other person unless said person is an authorized employee of the Contractor.

e. All information disclosed by Henry County to the successful Contractor for the purpose of the work to be done or information that comes to the attention of the successful Contractor during the course of performing such work is to be kept strictly confidential.

25. **Indemnification**

a. The vendor that is selected as the contractor shall, at its own expense, protect, defend (but only to the extent not prohibited by O.C.G.A. §13-8-2(c)), indemnify, save and hold harmless Henry County and its elected and appointed officers, employees, servants and agents from all claims, damages, lawsuits, costs and expenses including, but not limited to, all costs from administrative proceedings, court costs and attorney fees that Henry County and its elected and appointed officers, employees, servants and agents may incur as a result of the negligence, recklessness, or intentionally wrongful conduct of the Contractor or other persons employed or utilized by the Contractor in the performance of the contract.

b. The contractor’s indemnification responsibility under this section shall include the sum of damages, costs and expenses which are in excess of the sum of damages, costs and expenses which are paid out in behalf of or reimbursed to the County, its officers, employees, servants and agents by the insurance coverage obtained and/or maintained by the contractor, but only to the extent and for such claims as are permitted under O.C.G.A. §13-8-2(c).

26. **Controlling Law, Venue**

Any dispute arising as a result of this proposal and/or an Agreement which was created from the terms, conditions and specifications of this document or their interpretation, litigation shall only be entered into and shall be performed in Henry County, Georgia. This Agreement shall be governed by the applicable laws of the County of Henry and the State of Georgia. Any dispute arising out of the agreement, this proposal solicitation, its interpretations, or its performance shall be litigated only in the County of Henry Judicial Courts.

27. **Contractor as Independent Contractor**

In conducting its business hereunder, Contractor acts as an independent contractor and not as an employee or agent of County. The selection, retention, assignment, direction and payment of Contractor’s employees shall be the sole responsibility of Contractor.

28. **Assignment**

The Agreement, in whole or any part hereof, created by the award to the successful contractor shall not be sold, not be assigned or transferred by Contractor by process or operation of law or in any other manner whatsoever, including intra-corporate transfers or reorganizations between or among a subsidiary of Contractor, or with a business entity which is merged or consolidated with Contractor or which purchases a majority or controlling interest in the ownership or assets of Contractor without the prior written consent of Henry County.

29. **Owner and Ownership of Documents**

The Henry County Board of Commissioners, 140 Henry Parkway, McDonough, Georgia 30253 is the owner of the proposed work. Reports and all relevant data such as maps, diagrams, plans, designs, electronic data, statistics, specifications, and other supporting records or drawings compiled or prepared in the course of performance of the services required by this contract shall be the absolute property of the County and shall not be used by the Contractor for purposes unrelated to this contract without the prior written approval of the County. Such original documents shall be turned over to the County upon completion of the project except that Contractor shall have the right to retain copies of the same.
30. **Performance of Contract**
   a. Henry County reserves the right to enforce the Contractor’s performance of this Agreement in any manner prescribed by law or deemed to be in the best interest of the County in the event of breach or default or resulting contract award. It will be understood that time is of the essence in the Bidder’s performance.
   b. The successful Contractor shall execute the entire work described in the Contract Documents, except to the extent specifically indicated in the Contract documents to be the responsibility of others.
   c. The Contractor accepts the relationship of trust and confidence established by the award of this bid solicitation. The Contractor covenants with the County to utilize the Contractor’s best skill, efforts and judgment in furthering the interest of the County; to furnish efficient business administration and supervision; to make best efforts to furnish at all times an adequate supply of workers and materials; and to perform the work in the best way and most expeditious and economical manner consistent with the interest of the County.
   d. All purchases for goods or services are subject to the availability of funds for this particular purpose.

31. **Default and Termination**
   a. **Termination by Contractor**
      The agreement resulting from this bid shall be subject to termination by Contractor in the event of any one or more of the following events: The default by County in the performance of any of the terms, covenants or conditions of this Agreement, and the failure of County to remedy, or undertake to remedy such default, for a period of thirty (30) days after receipt of notice from Contractor to remedy the same.
   b. **Termination by County**
      The agreement resulting from this bid shall be subject to termination by the County at any time in the opinion of the County; the contractor fails to carry out the contract provisions of any one or more of the following events:
      (1) The default by Contractor in the performance of any of the terms, covenants or conditions of the Agreement, and the failure of Contractor to remedy, or undertake to remedy with sufficient forces and to the County’s reasonable satisfaction, the County shall provide the vendor with notice of any conditions which violate or endanger the performance of the Agreement. If after such notice the Contractor fails to remedy such conditions within thirty (30) days to the satisfaction of the County, the County may exercise their option in writing to terminate the Agreement without further notice to the Contractor and order the Contractor to stop work immediately and vacate the premises, to cancel ordered products and/or services with no expense to the County.
      (2) Contractor files a voluntary petition in bankruptcy, including a reorganization plan, makes a general or other assignment for the benefit of creditors, is adjudicated as bankrupt or if a receiver is appointed for the benefit of creditors, is adjudicated as bankrupt or if a receiver is appointed for the property or affairs of Contractor and such receivership is not vacated within thirty (30) days after the appointment of such receiver.
      (3) Contractors’ failure to conduct services according to the approved bid specifications.
      (4) Contractors’ failure to keep, perform, or observe any other term or condition of this Agreement.
      (5) Contractor’s performance of the contract is unreasonably delayed.
      (6) Should the successful Bidder fail to provide the commodities or services when ordered, and in accordance with the General Terms and Conditions, specifications and any other requirements contained herein are not met, the County reserves the right to purchase commodities or services covered by this contract elsewhere if available from an alternate source.
      (7) The Contractor agrees by its bid submission that the County’s decision is final and valid.
c. **Force Majeure**

Neither party shall be held to be in breach of the Agreement resulting from this bid, because of any failure to perform any of its obligations hereunder if said failure is due to any act of God, fire, flood, accident, strike, riot, insurrection, war, or any other cause over which that party has no control. Such party shall give notice and full particulars of such Force Majeure in writing to the other party within a reasonable time after occurrence of the event and the obligation of the party giving such notice shall endeavor to remove or overcome such inability with all reasonable dispatch.

d. **Waiver**

The waiver of any breach, violation or default in or with respect to the performance or observance of the covenants and conditions contained herein shall not be taken to constitute a waiver any subsequent breach, violation or default in or with respect to the same or any other covenant or condition hereof.

32. **Invoices**

Invoices and/or statements should not be faxed but originals must be mailed directly to:

Henry County Board of Commissioners  
Finance Department  
140 Henry Parkway  
McDonough, GA 30253

The following information must appear on all invoices submitted:

- Name and address of successful Bidder;
- Detailed breakdown of all charges for the services or products delivered stating any applicable period of time;
- Henry County’s Purchase Order Number and Bid Package number;
- Invoices shall be based upon actual services rendered, actual work performance and/or products delivered.

33. **Payment**

Payment shall be tendered to the successful Bidder upon acceptance and approval by the County for satisfactory compliance with the general terms, conditions and specifications of the bid; by completed services; verification of delivery of products; assurance that the product/service performs as specified and warranted; and receipt of a valid invoice.
SECTION II - SPECIFICATIONS

A. SCOPE OF WORK
The Contractor shall provide a turnkey commercial grade Airport Terminal Building (up to 4,500 square feet) and is expected to construct all terminal area improvements as described in the stamped plans and specifications by CROY Engineering. The work and materials shall meet or exceed applicable State and Local construction codes and ordinances. The location is Henry County Airport, 474 Speedway Blvd., Hampton, Georgia 30228. The Contractor shall furnish all labor, materials, equipment, and services required to fulfill the terms and conditions of this RFP and shall include the following:

1. Required Accommodations:
   a. Vestibules for the Airside and Landside entrance areas with automatic sliding doors.
   b. Airport Manager’s Office.
   c. Operation’s Office (airside).
   d. Work/Storage Room with commercial grade, free standing shelving.
   e. Service Area with elevated solid surface counter space, including glass display case below counter.
   f. Main Lobby with customer waiting area (airside).
   g. Break Room
   h. Meeting/Conference Room to fit table and 8 chairs minimum.
   i. Pilot’s Lounge/Flight Planning Room with computer access (airside).
   j. Women’s Bathroom (3 stalls, 2 sinks, 1 floor drain, 1 baby changing table).
   k. Men’s Bathroom (1 stall, 2 urinals, 2 sinks, 1 floor drain, 1 baby changing table).
   l. Data (Communications) Room.
   m. Electrical/Mechanical Room (do not place a/c above ceiling).
   n. Janitor’s Closet with large mop sink & floor drain.
   o. Vending Machine Area with drinking fountains.
   p. Covered Drop Off to be located at the front entrance of the Terminal Building.
   q. Covered patio area adjacent to the Terminal Building.
   r. After-hours access to Pilot’s Lounge, Restrooms and Vending with the ability to secure/limit access to the remainder of the building.

2. Design and Permitting:
The awarded Contractor’s Designer shall work closely with the County to develop a building plan that has all the required accommodations. The design shall be to the satisfaction of the County/Airport Manager. The following is required at a minimum:
   a. Architectural Drawings:
      • Architectural Cover Sheet (Project Data, Maps, Notes, etc.)
      • Architectural Site Plan and Details
      • Architectural Floor Plan (Dimensioned with notes, wall types, key notes, etc.)
      • Door Types, Door & Hardware Schedules, Interior Door and Window Details, etc.
      • Exterior Door and Window Details
      • Roof Plan and Details
      • Building Sections
      • Walls Sections
      • Building Elevations
      • Interior Elevations (Cabinet and Room)
      • Millwork Details
      • Reflected Ceiling Plan and Details
      • Equipment Plan and Notes
      • Project Manual/Specifications Book
b. Structural Engineering Drawings:
   • Foundation Plan (with Details and Notes)
   • Framing Plans (Details, Roof and Special Conditions)

c. MEP Engineering Drawings (Mechanical, Electrical and Plumbing):
   • Mechanical Plan (HVAC with Equipment Schedules and Details)
   • Electrical Plans (Power, LED Lighting, Communications, Fixture Schedules, and Details)
   • Plumbing Plans (Wastewater, Venting, Domestic Water); also, Plumbing Riser Diagrams with Plumbing Notes and Schedules.

d. Interior Design Drawings
   • Floor Finish Plan and Finish Schedule
   • Wall Finish Plan

e. Permitting
   • All required County, and State permits are the responsibility of the Contractor to obtain. Henry County Permit Fees will be waived. All other fees are the responsibility of the Contractor including but not limited to HCWA meter fees, and NOI fees.

3. Site Work:
   Final grading and compaction required to install the foundation at FFE (Final Floor Elevation) = 870.5’ above sea level. Erosion and sediment must be contained on site per county and state regulations.

4. Foundation:
   3,000 PSI reinforced concrete slab on grade at FFE=870.5’ above sea level, and structural columns, post, or piers. The Contractor shall provide an interior floor including beams, columns, or posts.

5. Exterior Walls:
   Walls, framing, moisture barriers and flashing, wall insulation, tinted, energy efficient tempered glass windows, solid metal exterior doors, sliding power doors at entrance (front and back).

6. Exterior Finish:
   Brick masonry and/or stone exterior finish, exterior trim, paint, stain, and varnish. The airside of the terminal shall be constructed with floor to ceiling glass walls.

7. Roof:
   Commercial standing seam metal roof including the structure, sheathing, vents, coverings, insulation, and prefinished aluminum box gutters with matching prefinished downspouts that tie into underground drain system. The roof shall be a gable roof.

8. Plumbing:
   Plumbing including connection taps to the county water and sanitary sewer, fire hydrants, water supply system, plumbing fixtures, sanitary sewer and (2) exterior hose bibs.

9. Electrical:
   Electrical system including connection to Central Georgia EMC power source, a CGEMC approved meter, fuses and circuit breakers, outlets and fixtures, LED lighting fixtures, exterior lighting, and phone and ethernet communication outlets and associated conduit in every room/office.
10. **Low Voltage:**
By Owner, conduit and pull strings by Contractor. Contractor to coordinate with low voltage sub-contractor.

11. **Fire Alarm:**
A fire alarm and communications system shall be installed as required by 12.3.4 of NFPA 101. 4.5.2.1. Means to alert the public fire department shall be available through manual fire alarm pull stations. Manual fire alarm services shall be installed in accordance with NFPA 72. 4.5.2.2*. Annunciation for all building fire alarm signals shall be provided near the front entrance of the building.

12. **Interior Climate Control:**
Interior climate controls including air infiltration and drafts, humidity control and condensation, ducts and airflow, heating and cooling systems, and ventilation. A standard forced heating and air system shall be used.

13. **Interior Finish:**
Interior finish including solid wood doors, trim and moldings, cabinets, lighting in main lobby, solid surface countertops, drywall, paint, stain, and varnish. Interior lobby ceilings shall be vaulted with exposed wood beams. If a drop ceiling is proposed in other areas, it must consist of 2’x2’ architectural tiles (vinyl coated in bathrooms).

14. **Flooring:**
Vinyl Plank flooring shall be used for the interior floors except for bathrooms and janitors’ closet which shall be Stonhard (or comparable) flooring. Carpet tile in Conference Room and Manager’s office. Drains shall also be provided in the bathrooms and janitors closet.

15. **Break Room:**
¾” plywood cabinets/doors with stained veneer (upper & lower cabinets with space for microwave), solid surface countertops, large SS double sink with sprayer faucet; SS refrigerator (25cf min.); SS convection microwave (1-cf/1,000-watt min.); stand-alone chest freezer (14.8cf min.); under counter ice machine

16. **Furniture:**
By Owner.

17. **Controlled Access:**
Electric controlled access to all exterior doors; shall be SALTO brand access readers; exterior door to restrooms, vending and pilots lounge shall also have an electronic key pad; provide power/data to each exterior door for these readers/doors.

18. **Dumpster Pad/Enclosure:**
Dumpster enclosure constructed of split face block on three sides; no cover/roof; to include (2) inside and (2) outside bollards with steel framed privacy gate finished with composite wood.

19. **Flag Pole:**
30’ anodized aluminum flag pole with 5’x8’ USA flag and LED lighting. The pole and flag shall be erected per the manufacturer’s specifications and shall be located on the landside of the proposed terminal building and adjacent to the vehicular parking area.

20. **Signage:**
ADA compliant signage for all rooms (restroom signs 6”x8”, all other rooms 6”x6”); 16” injection molded plastic exterior letters on building that read “Atlanta Speedway Airport”, and 6” injection molded plastic
exterior address numbers that read “474”; (1) 24”x30” cast bronze dedication plaque to be installed near entrance.

21. **Landscaping:**
   Landscaping shall meet or exceed local code requirements; landscaping plan shall be submitted to and approved by the Owner.

22. **LED Parking Lot Lighting:**
   Furnish and install parking lot lighting per code and lighting plan furnished by Design/Build Architect.

23. **Soil/Materials Testing:**
   By Owner.

24. **Area Improvements:**
   This includes new parking lot layout, new fencing (demo of existing fencing), demo of existing terminal building, paving of new ramp area, and refurbishing of existing Tower, Beacon and Out-Building structures. See stamped approved plans and specs by CROY Engineering (separate). Contractor shall work closely with Croy Engineering for final building tie-in to existing area improvement plans.

25. **Airport Viewing Tower:**
   Refurbish Airport Viewing Tower - notify workers of existence of lead paint; safely remove lose paint; properly dispose of lose paint per EPD guidelines; apply (2) new coats of red & white oil-based paint. Contractor will be responsible for the Lead Paint Abatement on the Viewing Tower.

26. **Airport Beacon Tower:**
   Refurbish Airport Beacon Tower - notify workers of existence of lead paint; safely remove lose paint; properly dispose of lose paint per EPD guidelines; apply (2) new coats of red & white oil-based paint. Contractor will be responsible for the Lead Paint Abatement on the Beacon Tower.

27. **Airport Electrical Vault:**
   Refurbish Airport Electrical Vault - remove lose paint; apply (2) new coats of oil-based paint; replace rotted/cracked trim wood; install new fascia; replace existing roof with same roof as new Terminal

28. **Demolition of Existing Terminal Building:**
   New terminal building must be in place and have C.O. prior to demolition of the existing terminal building. Contractor will be responsible for the Lead Paint and Asbestos Abatement. See Croy Engineering Demo Plan Sheet DP-01.

29. **Other Responsibilities of the Contractor:**
   a. Contractor shall submit concept drawing and floor plan; these drawings do not require stamping by a registered engineer/architect.
   b. Contractor is responsible for submitting final drawings for approval and Contractor must obtain required building permit(s); Henry County permit fees will be waived. Final drawings must be approved/stamped by a registered engineer/architect.
   c. Contractor is responsible for submission of the NOI/NOT documents to the Georgia Department of Natural Resources.
   d. Contractor is responsible for all grading, storm drainage system, retention/detention pond design and erosion control measures for disturbed areas relating to construction.
   e. Contractor is responsible for all utility locates.
   f. Contractor is responsible for all electrical and water hook-ups including vault, Domestic water meter, Fire Line meter, backflow preventers and fire hydrant(s); including any associated utility connection fees.
g. Contractor is required to provide (2) flash drives with a complete set of As-Built drawings and Close-Out Documents including Detention Pond survey and certification; the Henry County Water Authority also requires a PDF and CAD file As-Built of all water, sewer, and fire lines installed and verified by survey.

h. Contractor shall include $100,000.00 Cash Allowance/Owner Contingency. Any unused funds shall be refunded back to the Owner.

i. Contractor shall start work immediately following receipt of Notice to Proceed; Contractor has (450) calendar days to complete the project (design & construction), not including any substantiated/approved delays. After Contract Award, this completion date, in conjunction with the Notice to Proceed date, will be used to determine any Liquidated Damages of $300.00 per calendar day.

B. INSURANCE REQUIREMENTS

General insurance requirements shall be applicable to the Contractor and any authorized subcontractor. Insurance requirements shall be based on conditions in place as of the date of the Contract's execution. Insurance companies must be licensed by the Georgia Department of Insurance and the Georgia Secretary of State to do business in the State of Georgia. The County reserves the right to require adjustments in the level of coverage or waive any or all requirements based on information pertinent to this Contract.

The following requirements shall also be applicable to the Contractor:

a. Evidence of insurance must be provided to the Purchasing Department, 140 Henry Parkway, McDonough, Ga. 30253, within five days of execution of this contract and prior to commencing operations under this Contract;

   The certificate holder is to be issued to:

   Henry County Board of Commissioners
   Henry County, Georgia
   but delivered to:
   Henry County Purchasing Department
   140 Henry Parkway
   McDonough, Georgia 30253

   The Bid Package number and project name should be referenced in the description of operations. The certificates may be faxed to the Purchasing Department at 770-288-6027.

b. Any change in coverage or insurance carrier must be reported to the County’s Purchasing Office in writing within five business days of the change.

c. Failure of any Contractor to procure and maintain the required insurance shall not relieve the Contractor of any liability under the Contract, nor shall these requirements be construed to conflict with the obligation of the Contractor concerning indemnification;

d. Any and all insurance required by this Contract shall be maintained during the entire term of this Contract;

e. The County shall, without exception, be given no less than thirty (30) days notice prior to cancellation for any and all reasons other than non-payment of premium; and

f. The County shall, without exception, be given immediate notification in the event of cancellation for reasons of non-payment of premium.

g. The Contractor shall procure and maintain insurance coverage in the following particulars:

Workers Compensation Insurance

In the amounts of the statutory limits established by the General Assembly of the State of Georgia (A self-insurer must submit a certificate from the Georgia Board of Workers compensation stating that the Contractor qualifies to pay its own workers compensation claims.) In addition, the Contractor shall require that all subcontractors occupying the premises or performing the work under the contract to obtain an insurance certificate showing proof of Worker Compensation Coverage with the following minimum coverage:
Georgia Statutory including Employers Liability
Bodily injury by Accident – each employee $100,000
Bodily injury by Disease - each Employee $100,000
Bodily injury by Disease – policy limit $500,000

**Commercial General Liability**
Each Occurrence Limit $1,000,000
Personal and Advertising Injury Limit $1,000,000
General Aggregate Limit $2,000,000 (per project)
Products/Completed Operations Aggregate Limit $2,000,000

**Automobile Liability**
Combined Single Limit $1,000,000

**Professional Liability**
Each Occurrence $1,000,000

**Umbrella Liability** $2,000,000
If hazardous substances are involved:
Contractor’s Pollution Liability (with 1 year extended reporting period)
Each Occurrence $1,000,000
Aggregate $2,000,000

**Builder’s “All Risk” Insurance**
In the event the contractor is performing construction services under the contract, contractor shall procure and maintain “all risk” builder’s insurance, providing coverage for the work performed under the contract, and the materials, equipment or other items incorporated therein, while the same are located at the construction site, stored off-site, or at the place of manufacture. The policy limit shall be at least 100% of the value of the contract, including any additional costs which are normally insured under such policy.

**C. BOND REQUIREMENTS**

a. All Bids shall be accompanied by a Bid Bond in an amount of not less than five percent (5%) of the bid for the complete work. The Bid Bond shall be forfeited to Henry County, Georgia as liquidated damages if the Bidder fails to execute the Contract and provide Performance and Payment Bonds within fifteen (15) calendar days after being notified that he has been awarded the Contract. The Bid Bond shall be in the form of a surety issued bond made payable to the Henry County Board of Commissioners. The Surety Company shall be licensed to do business in the State of Georgia and listed in the Department of the Treasury Circular 570, latest edition. The Surety Company shall have an A.M. Best Company minimum rating of “A” with a financial size of VI “6” or better.

b. The Owner will require 100% Performance and Payment Bonds. If awarded the Contract, the bidder will execute the Contract and provide the bond(s) as required by the Specifications. The successful bidder, upon his failure or refusal to execute and deliver the Contract and bonds required within fifteen (15) calendar days after he has received notice of the acceptance of the bid, shall forfeit to the Owner, as liquidated damages for such failure or refusal, the security deposited with his bid.

c. All Proposal Guaranties may be retained until the Contract and the Contract Bonds have been signed and approved. Early release of Proposal Guaranties will be considered if a request is made in writing. The Department reserves the right to return all Proposal Guaranties by registered or certified mail, and its responsibility pertaining to them will end when they are mailed.
SECTION III - PROPOSAL FORMAT

A. TECHNICAL PROPOSAL
Provide four (4) sections under separate tabs as follows:

Section 1 – Executive Summary
The executive summary shall include a brief statement of approach to the work, understanding of the project’s goals and objectives and demonstrated understanding of the potential problems and concerns

Section 2 – Company’s Qualifications and Relevant Project Experience

1. Firm or Firms’ Information
   a. Firm local name, address, and telephone number
   b. Primary local contact person(s) and telephone number(s)
   c. Total number of firm’s local full-time employees
   d. Year firm established
   e. Listing, description and outcome of all litigation involving the proposer in the last 5 years.

2. Experience:
   a. List of comparable full service Design/Build Construction projects completed in the last 5 years. Include: size, cost, total fee, time to complete design services, scope of design services, time to construct facility, description and cost of contractor change orders, special features (energy conservation, etc.), awards received, and type of project (be sure to specify which projects were similar to facilities of this size and type).
   b. Provide no more than 3-5 examples of your experience as prime contractor in constructing facilities similar to this project (OR other public and private projects that indicate similar experience). For each of these projects:
      (1) Provide photographs.
      (2) Provide a reference familiar with your performance on the project. It is the proposer’s responsibility to ensure that the listed contact and phone number are current.
      (3) Provide a Design/Build reference (with current phone number) familiar with your performance on each project.
      (4) Provide a Program Manager reference (if applicable).
      (5) List the individual who served as the Project Executive/Director, Project Manager, Superintendent, and Cost Estimator. Please note whether this individual is still employed with your firm.
   c. For those projects listed in 1 and 2 above, indicate those projects that included architect, engineering consultant, and contractor serving a corporate or public client as a team.

3. References
Include references for related work over the past three (3) years, including client name, mailing address, contact name and phone number, email address, and a description of the services provided, including project dates and special features

4. Staffing Management
   a. Provide a proposed County/Architect/Engineer Organizational Chart, which identifies individual names and areas of responsibility.
   b. Submit brief resumes of each key team member, as listed below, in this section of the RFP.
• Design/Builder Project Manager
• Design/Builder Superintendent
• Design/Builder Field Engineer
• Design/Builder Safety Supervisor
• Architect responsible for all architectural issues and specifications.
• Civil Engineer responsible for civil engineering and specifications
• Structural Engineer responsible for structural engineering and specifications
• Life/Safety Engineer (certified) responsible for life/safety engineering and specifications
• Mechanical Engineer responsible for mechanical design and specifications
• Plumbing Engineer responsible for plumbing engineering and specifications
• Electrical Engineer responsible for electrical engineering and specifications
• Fixtures & Equipment Specification Technician responsible for selection and specifications
• Other specialty consultants as applicable
• Materials testing & inspection consultant
• Major Subcontractors

Resumes shall show at least the following:
• Name, specialty, job title, and project job title. The project job title must correspond with the positions listed.
• Years of relevant experience with firm, and experience with previous employers. Project experience descriptions must include dates.
• Academic degree(s), discipline and year degree(s) received.
• Professional registrations.
• Name of the firm(s) responsible for the individual and office location where employed.
• A synopsis of specific experience, skills, training, or other qualities, which demonstrate the individual's ability to fulfill the duties of their position.

c. Provide a current list of other commitments by the Design/Builder and its architects, engineers, and other key team members and estimated completion dates by project in this section of the RFP.
d. Identify the individual who, from project start to finish, will be the leader of your construction team and the principal point of contact between your firm and the County and Architect along with other consultants.

Section 3 - Approach and Design

1. Design Solution
Provide your design solution to the requirements of the RFP, as described in the scope of work.

2. Services
   a. Provide a comprehensive outline of the steps you propose in order to meet the services required in this RFP. This detail should indicate what is to be done, who individually, and by name is responsible to do it, and when it is to be completed.
   b. Please answer the following questions and/or provide adequate responses:
      (1) Provide one page overview of services typically performed for similar projects using Design/Build Construction techniques.
      (2) How would you implement these services to ensure the success of this project?
      (3) How does your firm implement cost control and scheduling activities during
preconstruction?

(4) Explain your approach to value engineering, citing relevant, specific examples.

(5) Occasionally, subcontractors and suppliers go bankrupt during the course of a project. What would you do to protect the County from being adversely affected by such an occurrence?

(6) Describe how your firm would assist the County in assuring participation by local contractors. Include examples of other projects where you have been successful in meeting similar goals.

(7) Describe your approach to team work on a project of this magnitude.

(8) Describe how your firm intends to arrange the construction into bid packages in order to reach the county’s schedule and budget objectives.

3. Project Schedule
   Provide a draft schedule that includes milestones and estimated time of completion.

Section 4 - Required Forms
Include all required forms in this section.

B. COST PROPOSAL FORMAT
A sealed envelope marked “Cost Proposal” is to be submitted separately. A detailed Schedule of Values for the requested services shall equal the lump sum total and shall be attached to each cost proposal form. Include $100,000.00 cash allowance. Any unused funds shall be refunded back to the Owner.
Henry County’s selection of a firm shall be based upon the demonstrated competence and qualifications of the firms to provide the type of service required. Each proposal will be evaluated and scored through a process by the County’s staff.

The Proposer’s submittal must fully address the requirements listed in this solicitation and the Firm’s degree of experience, knowledge, and ability to provide experienced and qualified support staff. The proposal is not to have any exclusions, conditions or provisions applied to the aforementioned request. It is the County’s intention to select a firm which is the most qualified to meet the County’s needs. The award shall be based on but not limited to the following factors:

### RFP EVALUATION CRITERIA

<table>
<thead>
<tr>
<th>RFP EVALUATION CRITERIA</th>
<th>Scoring Value Maximum Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Relevant Experience and References</td>
<td>20</td>
</tr>
<tr>
<td>- Description of comparable projects.</td>
<td></td>
</tr>
<tr>
<td>- References for related work over the past three (3) years, including client name,</td>
<td></td>
</tr>
<tr>
<td>mailing address, contact name and phone number, email address, and a description</td>
<td></td>
</tr>
<tr>
<td>of the services provided, including project dates and special features.</td>
<td></td>
</tr>
<tr>
<td>Experience and Availability of Key/Assigned Staff</td>
<td>20</td>
</tr>
<tr>
<td>- List of proposed personnel to be specifically assigned to this project, including</td>
<td></td>
</tr>
<tr>
<td>their qualifications, overall experience on projects of similar scope, and</td>
<td></td>
</tr>
<tr>
<td>résumés.</td>
<td></td>
</tr>
<tr>
<td>- List of commitments of key team members and estimated completion dates by projects.</td>
<td></td>
</tr>
<tr>
<td>Methodology and Technical Approach to the Project, Quality and Completeness of the</td>
<td>30</td>
</tr>
<tr>
<td>Response of the Proposal.</td>
<td></td>
</tr>
<tr>
<td>- Clear indication that all minimum requirements are met.</td>
<td></td>
</tr>
<tr>
<td>- Quality of proposal that indicates clear understanding of scope of work.</td>
<td></td>
</tr>
<tr>
<td>- Submission of concept drawings that provide a clear design solution.</td>
<td></td>
</tr>
<tr>
<td>- Draft schedule that includes milestones and estimated time of completion.</td>
<td></td>
</tr>
<tr>
<td>Cost Proposal (Total Design-Build Costs)</td>
<td>30</td>
</tr>
<tr>
<td><strong>MAXIMUM SCORING POINTS TOTAL</strong></td>
<td>100</td>
</tr>
</tbody>
</table>

### Oral Presentation/Interview

At its sole discretion, the Evaluation Committee made up of County employees may require an interview/presentation before the final selection and award to a Firm. Submittal of material and information during an interview/presentation could add up to 15 additional points to the total score of the Firm.

**The Scoring Formula for the above Scoring Value Maximum Points is as follows:**

<table>
<thead>
<tr>
<th>Scoring Level</th>
<th>Formula</th>
</tr>
</thead>
<tbody>
<tr>
<td>Excellent</td>
<td>.75 - 1.00</td>
</tr>
<tr>
<td>Good</td>
<td>.50 - .74</td>
</tr>
<tr>
<td>Fair</td>
<td>.25 - .49</td>
</tr>
<tr>
<td>Poor</td>
<td>0 - .24</td>
</tr>
</tbody>
</table>

Multiply scoring formula by possible scoring value maximum point allotment. *Example:* If you score a firm .6 (Good) on **Relevant Experience and References** and multiply .60 x 20 (maximum scoring points), this would equal to 12 points.
SPECIAL NOTE - the Proposal Cost will be evaluated as follows:

- Low Conforming Proposal: 30 points
- Proposals within 5% of Low Proposal: 25 points
- Proposals within 7% of Low Proposal: 20 points
- All Others: 15 points

Best and Final Offer Process represents an optional step in the selection process and may be used when:

a. No single response addresses all the specifications.
b. The cost submitted by all proposers is too high.
c. The scores of two (2) or more proposers are very close after the evaluation process.
d. All proposers submitted responses that are deficient in one or more area.

Henry County reserves the right to remove the high score and the low score for each offer if deemed necessary.

The County reserves the right to negotiate the fee and/or Scope of Services with the highest ranked Proposer. If negotiations cannot be completed successfully, then the County reserves the right to negotiate with the second highest ranked Contractor. Recommendations for an award will be the Proposer with whom potential contract negotiations were successful.

(FAILURE TO SIGN THIS SECTION SHALL DISQUALIFY YOUR RESPONSE)
NON-CONFLICT OF INTEREST

By submitting an offer in response to this solicitation, the Firm represents that in the preparation and submission of this proposal, said Firm did not either directly or indirectly, enter into any combination or arrangement with any person, Proposer, Corporation or enter into any agreement, participate in any collusion, or otherwise take any action in the restraint of free, competitive bidding in violation of the Sherman Act (15 U.S.C. Section I or Section 59.1-9.1 through 59.1-9.17 or Sections 59.1 – 68.6 through 59.68.8). Collusion and fraud in proposal preparation shall be reported to the State of Georgia Attorney General and the United States Justice Department.

____________________________________ (Officer of Firm) certifies that to the best of our knowledge, no circumstances exist which shall cause a conflict of interest in performing services for Henry County, and that no company or person other than bona fide employees working solely for our firm has been employed or retained to solicit or secure an agreement resulting from this request for proposal.

GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT
AFFIDAVIT AND AGREEMENT

By executing this affidavit, the undersigned contractor verifies its compliance with O.C.G.A. § 13-10-91, stating affirmatively that the individual, firm or corporation which is engaged in the physical performance of services on behalf of the Henry County Board of Commissioners has registered with, is authorized to use and uses the federal work authorization program commonly known as E-Verify, or any subsequent replacement program, in accordance with the applicable provisions and deadlines established in O.C.G.A. § 13-10-91. Furthermore, the undersigned contractor will continue to use the federal work authorization program throughout the contract period and the undersigned contractor will contract for the physical performance of services in satisfaction of such contract only with subcontractors who present an affidavit to the contractor with the information required by O.C.G.A. § 13-10-91(b). Contractor hereby attests that its federal work authorization user identification number and date of authorization are as follows:

_________________________________
Federal Work Authorization/ E-Verify User Identification Number

_________________________________
Date of Authorization

_________________________________
Name of Contractor

I hereby declare under penalty of perjury that the foregoing is true and correct. Executed on _____, ____, 20__ in _____ (city), ______ (state).

NOTARY PUBLIC

My Commission Expires:
SUPPLIER INCLUSION PROGRAM

Small, local, veteran-owned, Disadvantaged Business Enterprise (DBE), and female-owned business enterprises are encouraged to participate in the solicitation process. In order to give recognition to these type of business classification, please check all which apply:

☐ Small Business
  Small businesses are defined by size standards and can be found in Title 13 of the Code of Federal Regulations (CFR), Part 121, and are broken down by the different categories of business enterprises.

☐ Local Vendor
  Local vendors, as defined in the Henry First Initiative, must operate and maintain a regular place of business within the geographical boundaries of Henry County, must have a current occupational tax certificate, must have paid all real and personal taxes owed the County and must certify its compliance with the Georgia Security and Immigration Act.

☐ Veteran-Owned Business
  A veteran-owned business is a business in which a veteran owns a minimum of 51% of the business and also holds the highest position at the company and is active in the daily management and strategic direction of the company. Title 38 of the Code of Federal Regulations defines a veteran as “a person who served in the active military, naval, or air service and who was discharged or released under conditions other than dishonorable.” This definition explains that any individual that completed a service for any branch of armed forces classifies as a veteran as long as they were not dishonorably discharged.

☐ DBE Business
  DBE businesses, as defined by the Georgia Department of Administrative Services, shall be certified by the Georgia Department of Transportation and shall consist of five (5) minority groups:
  ☐ Asian American
  ☐ Native American
  ☐ African American
  ☐ Hispanic/Latino
  ☐ Pacific Islander.

☐ Female Owned Business
  A female-owned business is a business in which a female owns a minimum of 51% of the business and also holds the highest position at the company and is active in the daily management and strategic direction of the company.

☐ None of the Above Applies

TOTAL

All design and construction shall conform to the current State and local building codes.

Include $100,000.00 cash allowance. Any unused funds shall be refunded back to the Owner.

The total cost proposal amount should include a total (not to exceed) amount for the work described under the Scope of Work. Please attach a detailed Schedule of Values that equals the lump sum total.

TOTAL COST PROPOSAL AMOUNT $ __________________________ (NUMBERS)

TOTAL COST PROPOSAL AMOUNT $ __________________________ (WORDS)

Contractor shall start work immediately following receipt of Notice to Proceed; Contractor has (450) calendar days to complete the project (design & construction) not including any substantiated/approved delays. After Contract Award, this completion date, in conjunction with the Notice to Proceed date, will be used to determine any Liquidated Damages as specified.

Earthwork Materials Cost Sheet

Please include this sheet with the “Cost Proposal”. Note: Only the lump sum total will be used in determining the points to be allocated for the cost proposal.

UNIT PRICES (NOT TO EXCEED):

The following unit prices are amounts to be used for work that will be added to or deleted from the Contract by Change Order in the event such additional work may be required.

Unit prices are complete for labor, equipment, material, the hauling in of needed material and the hauling off and disposal of excess and unsuitable material, installation, applicable taxes, overhead and profit, and all other incidental costs. Units will be measured in place by the testing laboratory obtained by the Owner.

Owner reserves the right to accept or reject these unit prices or require the Work to be performed on a time and material basis with complete daily breakdowns and logs submitted.
