

BOARD OF COMMISSIONERS OF
HENRY COUNTY, GEORGIA

RESOLUTION NO. 20-184

A Resolution of the Board of Commissioners
Awarding a Proposal for a Consultant for a Pavement Management Program Study

WHEREAS, roadways within every municipality undergoes deterioration due to age and vehicular utilization. In order to proactively manage this problem, it is common for jurisdictions to utilize a Pavement Management Program (PMP) to assess the needs and any remedial actions to address roadway deficiencies; and

WHEREAS, PMP is a computerized and digital roadway surface rating system which evaluates and ranks pavement conditions from best to worst. This tool will facilitate for long- and short-term budgeting and pavement asset management; and

WHEREAS, PMP is a one-time study performed by a consultant and the results of the study is then turned over to the County for its technical staff to maintain and upkeep. This RFP has been based on a one-time unit cost as specified below with its total cost of approximately \$500,000, for a project duration of six-months. Funding is available in DOT budget; and

WHEREAS, proposals (RFP number 20-43) were solicited for a Consultant for a Pavement Management Program Study; and

WHEREAS, and seven (7) vendors responded and their proposals were reviewed and scored by an evaluation committee; and

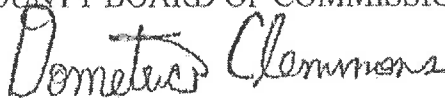

WHEREAS, IMS Infrastructure Management Solutions of Tempe, Arizona was determined to be ranked with the highest score; the evaluation committee recommends award.

NOW, THEREFORE, BE IT RESOLVED, the Board of Commissioners of Henry County awards RFP Number 20-43 to IMS Infrastructure Management Solutions for a Consultant for a Pavement Management Program Study in the amount of \$290.00 Roadway Data Collection Fee per mile of roadway surfaces paved or unpaved. \$0.05 per square foot of other surfaces such as parking areas. \$4,500.00 for the purchase cost of the software. \$8,925.00 for the setup and Data Integration and \$4,195.00 for a one- time County staff training. The Chair and/or County Manager is hereby authorized to sign all necessary documents for this resolution.

This 18th day of August, 2020.
