

Henry County Recycling Center Electronics Recycling

Please Note:

- Drop off recyclable electronics at your own risk. Henry County is not responsible for any personal/confidential data left on any electronic device(s).
- All hard-drives (from computer towers & laptops) and cell phones will be shredded to ensure the destruction of any personal data and information.
- It is not necessary to remove hard-drives from computer towers and laptops.
- Electronics in BOTH working and non-working condition will be accepted.
- Electronics MUST be removed from packaging, Styrofoam, boxes, plastic bags, etc.
- Electronics MUST be dry.
- Henry County **DOES NOT** reimburse/pay money to people/businesses/companies/nonprofits for their electronics. The Recycling Center operates strictly as a drop-off facility.
