ADDENDUM #1
 Issued January 25, 2017

BID # 17-38
Excavator for the Stormwater Department
OPENING: 3:00 PM, February 1, 2017

The following items take precedence over referenced portions of the documents for the above-named project and in executing a contract, will become a part thereof. Where any item in the documents is supplemented hereby, the original requirements will remain in effect. All supplemental conditions will be considered as added thereto. Where any original item is amended, voided or superseded hereby, the provisions of such items not so specifically amended, voided or superseded will remain in effect.

REVISION:

SECTION II – SPECIFICATIONS

A. DESCRIPTION

The Henry County Board of Commissioners is accepting bids for the purchase and delivery of one (1) excavator to include the following features:

- Auxiliary/Multi-function hydraulics on boom arm with connection points for future attachments
- Minimum Operating Weight – 63,000 pounds
- Maximum Operating Weight – 72,000 pounds
- Minimum Net Horsepower – 195
- Minimum Total Hydraulic Flow – 124 Gallons/Min
- Minimum Arm Length – 10’
- Minimum Track Width – 31”
- 48” Bucket with Teeth
- Enclosed Cab with Heat and Air Conditioning
- Dual Operator Controls
- 6 Keys

All equipment provided shall be the most current production models and shall have no rebuilt or remanufactured parts or components. **Vendor is to provide information, which verifies that their equipment meets all of the required specifications.**

This addendum must be signed and attached to bid proposal to acknowledge receipt of addendum. **Failure to acknowledge any addenda will result in a non-responsive bid.**
